

EVAN'S RANCH

“Evan’s Ranch is owned by the Gainey Family and named for my great-grandfather. It is located in the renowned Santa Rita Hills appellation and has the ideal climatic conditions, soil profiles and topography to produce world-class Pinot Noir, Chardonnay and Syrah. Within the vineyard, we’ve identified special blocks and clones that produce superior distinctive wines, which we bottle in very small quantities for your drinking pleasure.” *Dan Gainey*
